LIVERPOOL & MANCHESTER

INFORMATION FOR VENUES

Dinner Sounds Good

Good food, good music, good company.

In an increasingly disconnected world, we create space for real human connection around a communal dinner table with live, original music. These aren't just dinners. They're life-affirming experiences that guests remember for years to come.

Who we are

Dinner Sounds Good is a roving supper club and cultural events collective founded by four women (Lily, Chloe, Jade and Jess), bringing fine dining, wine and live music together in one intimate evening. We host ticketed, seasonal dinners for 15–30 guests, in atmospheric borrowed or hired spaces: unusual venues, private dining rooms, warehouses, galleries, gardens and private homes.

What we bring

- Exceptional food from chefs with backgrounds including Kallos and The Ivy Asia
- WSET-trained wine curation and front-of-house service
- Live music woven into the evening
- Photography and social promotion of every event
- A growing, loyal community of food, wine and culture lovers

Who we attract

- Food and wine enthusiasts aged 25–50
- Young professionals across Liverpool and Manchester
- Couples and social groups looking for a memorable night out
- Arts and culture audiences
- Corporate and private hire clients

What we're looking for

- An atmospheric space for an intimate seated dinner of 15–30 guests
- Kitchen or prep access
- Weekday evenings that would otherwise be quiet for you
- One-off suppers or recurring events

> *We handle the full guest experience (menu, service, entertainment, styling and promotion), so you simply provide the space and, where relevant, the bar.*

Two ways to work together

OPTION 1

Dry hire

We bring our own drinks and pay you a dry hire fee and corkage for use of the space.

OPTION 2

Set drinks menu

We design a bespoke drinks menu from your existing stock to pair with the meal. You keep 100% of wet sales, with no dry hire fee.

Let's make it happen!

We'd love to hear about your space. Drop us a line and we'll arrange a time to chat.
